A COMMON
STRUGGLE

A PERSONAL JOURNEY THROUGH THE PAST AND

Harvard Book Store welcomes former congressman **PATRICK J. KENNEDY** for a discussion of his book *A Common Struggle: A Personal Journey Through the Past and Future of Mental Illness and Addiction*, co-authored with Stephen Fried.

Patrick J. Kennedy, the former congressman and youngest child of Senator Ted Kennedy, details his personal and political battle with mental illness and addiction, exploring mental health care's history in the country alongside his and every family's private struggles.

A Common Struggle weaves together Kennedy's private and professional narratives, echoing Kennedy's philosophy that for him, the personal is political and the political personal. Beyond his own story, though, Kennedy creates a roadmap for equality in the mental health community, and outlines a bold plan for the future of mental health policy.
